Creating legacy.*

END SILENCE MOVEMENT

## *A Message from the Heart*

If you're here, I want to start by being honest with you. When I first stepped into this space, I didn't come here to build anything. I had just found out I was in kidney failure. I knew my clock was ticking, and I came here with a very different mindset.

I wasn't thinking about programs, or income, or structure. I came here to connect, to share the Word of God, and to serve however I could with the time I believed I had left. That was my focus. But something happened.

### **The Shift**

As I spent time here, I started to see people differently. I didn't just see profiles or content—I saw souls. I saw children trapped inside adult bodies. I saw people who had walked through the fire of trauma, carrying burdens that never had a safe place to land. I couldn't ignore them.

### **The Healing**

At the same time, something was shifting inside of me. I was experiencing a level of healing I didn't know was possible. It felt like a lifetime of suppressed pain was being brought to the surface, processed, and redeemed in a very short window of time.

My relationship with Jesus wasn't just growing; it was accelerating exponentially. \* A hunger for the Word took over. A desperate need to understand God's will became my priority. It felt like an alarm had been sounded in my spirit.

### **The Vision**

And in the middle of that awakening... it came to me. Not as a business plan, but as a vision. I saw a Tapestry. I saw something being woven together, piece by piece. I realized that in every person I met, there was a different element—a unique thread. And as those threads came together, the result was breathtaking. It wasn't perfect.

It wasn't polished. But it was real.

## **The Mission**

This guide is not about "perfection." It is about building a path where survivors can take the very things they thought were "baggage" and realize they are actually assets.

Your story.

Your voice.

Your creativity.

Your lived experience.

In this house, nothing is wasted.

## **The Covenant**

I must be very clear:

This is a Christ-centered foundation.

We do not move without God.

We do not build outside of His direction.

If He is not leading it, we want no part of it.

## ***The Founding Creators – First Stitch Initiative***

is the beginning. It is an intentional work-in-progress. If you're reading this, please take your time. There is no pressure here. But if something in this speaks to you... if something feels aligned... then pay attention to that.

Because sometimes, our true calling doesn't look like what we expected.

– One stitch at a time.

## Content Alignment Guidelines

— THE FILTER FOR THE FIRST STITCH —

These guidelines ensure that every piece of content produced under the Dream Team Studios™ umbrella stays true to our mission and protects the safety of our creators and audience.

### PHILIPPIANS 4:8

*Before anything moves forward, we ask:*

#### TRUE

Honest and grounded in reality

#### NOBLE

Dignified and respectful

#### PURE

Not manipulative, not dark for the sake of darkness

#### LOVELY

Does it move toward healing, not just pain

*If it doesn't pass this... it doesn't move forward.*

#### GREEN LIGHT

*What We Build*

We move forward with content that:

- ♥ Points back to God and His truth
- ♥ Shares real stories that lead toward healing
- ♥ Empowers survivors and breaks cycles of silence
- ♥ Reflects excellence in what we create
- ♥ Speaks to the soul, not just the trauma

WE DON'T EXPLOIT PAIN.  
WE TRANSFORM IT.

#### YELLOW LIGHT

*What Requires Review*

Some things aren't "no"—but they require wisdom.

- ♥ **Graphic Detail**  
We don't hide truth, but we don't retraumatize people either. We focus on impact, not shock.
- ♥ **Personal Grievances**  
This is not a space for public call-outs or unresolved conflict.
- ♥ **Divisive Content**  
If it doesn't serve healing, faith, or the mission—it likely doesn't belong here.

WISDOM PROTECTS  
THE MISSION.

#### RED LIGHT

*What We Do Not Build*

We do not create or support content that:

- ♥ Glorifies victimhood without movement toward healing
- ♥ Contradicts our Christ-centered foundation
- ♥ Uses shame, silence, or manipulation
- ♥ Lacks integrity or exploits people for profit

IF IT PULLS PEOPLE  
DEEPER INTO DARKNESS  
INSTEAD OF TOWARD LIGHT—  
IT DOESN'T CARRY OUR NAME.

### THE TAPESTRY TEST

*Before anything is approved, we ask:*

- 1 Does this point to God—or to self?
- 2 Does this offer a "stitch" of healing to someone else?
- 3 Is this contributing to the whole—or distracting from it?

#### FOR OUR FOUNDING CREATORS

This is not here to limit you. It's here to protect you.

To give you a space where:

- ♥ your voice can grow
- ♥ your work can matter
- ♥ your message doesn't get lost or diluted

*Think of it like a garden.  
Not a cage.*

WE BUILD TOGETHER. WE GROW TOGETHER. WE MOVE WITH PURPOSE.
